3. Birthplace : Derry Township, Dauphin Country Pennsylvania.
4. The person who showed the idea of making candy into his head: his mother
5. The city where he setup his first candy shop: Philadelphia
6. The product he developed during World War II: a chocolate.

C. Answer these questions.

1. How did taking up one idea and making that idea his life, work for Milton Hershey?

Ans:- Taking up one idea and making that idea his life worked for Milton Hershey as he worked with one idea that was working in the candy trade so his brain, muscles, nerves were full of that one idea and he worked very hard ,with full determination. He never gave up although he failed so many times and this was finally his story from rags to riches.

2. Having a supportive parent helps one to succeed. How did this get proven right in Hershey's life?

Ans:- Having a supportive parent helps one to succeed as Harshey's mother supported him till he succeeded. She convinced him about the idea of working in a candy trade. She sent him for the training to the local confectioner.

3. Hershey never stopped contributing to his society. Pick instances from the passage to support this.

Ans:- Hershey built a large factory and housing for his workers close to dairy farms. He opened a school called Milton Hershey school for orphan boys. He added buildings his town during the great depression when money was scarce all around.

During Second world war he developed a chocolate bar which soldiers could carry with them easily as an emergency food.
